THE ACES: COUNTRY, ROCK AND RHYTHM & BLUES FROM DESTIN, FLORIDA

ELECTRONIC PRESS KIT

ABOUT

The Aces are Destin's five-piece blend of country soul, rock-and-roll energy and rhythm & blues groove. They read a room the way a card player reads a table: laid-back coastal sets when the sun is going down over the harbor, and a packed, high-energy dance floor once the night gets going. Fronted by Jerrick Garcia, a singer who can take a crowd from Tennessee Whiskey to Purple Rain in the same set, the band pairs twin lead guitars from Lincoln O'Neal and Drake Holland with Randy Harris on bass and vocals and Brent Bledsoe in the pocket on drums. With more than a hundred shows behind them, The Aces are regulars at SkyBar at The Edge on the Destin Harbor, G.I. Jade, LJ Schooners, Eagle's Nest, both Andy D's and more across the Emerald Coast, and they play festival and concert-series stages from HarborWalk Village to the Village of Baytowne Wharf and the Billy Bowlegs Pirate Festival. Clubs, festivals or private events, they bring the same thing every time: a winning night.

THE BAND

Jerrick Garcia
LEAD VOCALS, ACOUSTIC GUITAR

The voice out front. Jerrick carries lead vocals and acoustic guitar, and he can sing just about anything you throw at him, from Tennessee Whiskey to Purple Rain. Catch him solo at The Stillery and every Thursday at Tailfins.

Randy Harris
BASS, VOCALS

Randy holds down the low end on bass, adds vocals, and keeps The Aces booked and rolling up and down the Emerald Coast.

Lincoln O'Neal
LEAD GUITAR

Lincoln brings the lead guitar fire: the teal Strat, the big solos, and the energy that gets the whole crowd moving.

Drake Holland
VOCALS, LEAD GUITAR

Drake trades lead guitar and vocals, and when he steps up to the mic for Night Moves, the room sings along.

Brent Bledsoe
DRUMS

Brent is the pocket. He keeps every groove locked in, from slow coastal country to full-tilt rock and roll.
